

Summer Picnic Time!

The summer sun was blazing but a slight breeze was blowing as the guild met at the Fairfield Glade United Methodist Church's covered pavilion. Attendees were greeted by beautifully decorated tables. Each place setting had a name assigned to it. As we filled our plates with the delicious foods prepared by all, we selected flatware wrapped in a napkin containing a question that we answered after eating. Questions covered topics from A-Z - and not all pertaining to quilting! A great time was had by all!
